

MAKE 2021 A SUCCESS WITH A STUDY LOAN FROM FUNDI

Your future is not limited.

That's why, ongoing training and development is essential to your continued success and growth - and a big part of your organisation's success

Further learning increases your personal growth, contribution to the organisation you work for, and your chances of promotion. Fundi partners with several large institutions and organisations, including BAT, McDonalds, Unisa, Government, Eskom, as well as several Universities, to provide education funding and fund administration services to all employees as well as their dependents.

That's because at FUNDI, we understand the power of learning and provide you with tailored financial solutions that enable your dreams. As the single source of all things education and learning, we have enabled over 1.8 million dreams since 1996 – and we are happy to help you realise your ambitions

Education funding for the family
