

*We aim to empower and  
create growth for all our stakeholders*

Seriti is a broad based, 91% black owned and controlled South African mining company producing coal for domestic power generation as well as the export market. The company consists of eight operating coal mines, processing plants and several other projects at different life stages. Seriti's ambition is to empower and create growth for all its stakeholders.

**Bursar**  
**Seriti, Various Collieries**  
**External**

**Ref no: VAR121/25GS**
